Subject:	Request for Req entry, Possum Point ash pond closure engineering support
Attachments:	Req for Possum ash pond constructibility support.xlsx; Glover constructibility proposal.pdf

Pam,

Please enter this requisition into SAP.

Team,

This requisition is for Value Engineering support from Glover Construction Company to provide constructability review to our design engineer GAI for the pond Closure project at Possum Point. This will be a small dollar, T&M NTE PO valid thru 9/30/15 for Glover's support to help GAI with civil planning, task duration, sequence, and methods.

Kevin, as per our conversation, this will be coded as environmental remediation engineering.

Rebecca, please add these to the PO inventory list for this project under Possum Point.

Thank you,

00009820

Bob Jackson

Project Manager
